

===== Glossary AS Academic Senate =====

The highest body at the TUHH, also made up of student representatives.

## **AStA**

General Students' Committee

The AStA represents the student body by implementing the resolutions of the Student Parliament and managing the day-to-day business of the student body on its own responsibility.

## **ASPO**

„General Provisions of the Study and Examination Regulations for Bachelor's and Master's Degree Programmes“ - This contains the basic regulations for all degree programmes at the TUHH.

## **Bathtub**

Building N

## **Block 1 & Block 2**

Catalogues of non-technical supplementary subjects that must be taken in the Bachelor's and Master's programmes. Block 1 focuses on business administration and law, Block 2 on the humanities (sociology, art, culture, etc.).

## **CI**

Computational Informatics

## **ECTS**

European Credit Transfer System

Describes the time spent on a module over the entire semester. One credit point should correspond to approximately 30 hours.

## **ET**

Electrical Engineering

## **Student council**

The entirety of all students at a university who study the same subject, e.g. student council IIW at the

TUHH. Often used as a false synonym for the student council or its office.

## **FSR**

Student Representative Council

The subject-specific representation of students' interests. Often called „Fachschaft“ for short and incorrectly.

## **FSPO**

Subject-specific examination regulations Supplement the ASPO with programme-specific regulations.

## **HoPo**

University policy

## **IIW**

Computer Science Engineering

## **Barracks**

Building A

## **Lindwurm**

Building E

## **LuK**

Learning and communication centre

Rooms of the AStA in building A (barracks)

## **OU**

Orientation Unit

The first week of the winter semester with introductory events for first-year students.

## **Work placement regulations**

They regulate which activities you have to complete in the industrial placement and for how long, whether vocational training is recognised as a partial substitute, that you have to prepare a report and a few other things.

## **PA**

Examination board

Committee that determines examination dates and decides on examination results, appeals, recognition of work completed abroad, etc.

## **SWS**

Semester hour per week

A course with one semester hour per week takes place every week for 45 minutes.

## **Study plan**

Overview of the modules to be taken including recommended semesters, examination type, language, ECTS and institute.

## **Stud.IP**

E-learning platform where materials, announcements, a forum and more are provided for most courses.

## **StuPa**

Student Parliament

The StuPa is the highest decision-making body of the student body, which in particular decides on the student body's statutes and budget and elects the members of the AStA.

## **SDA**

Dean of Studies Committee

A very important committee that decides on everything to do with teaching.

## **Technical Centre**

Building O

## TM

Technomathematics

## WA

Appeals Committee

If the Examination Board rejects a student's objection to an examination result, the WA meets to make a final decision.
